Administration of Evacuee Property, Act, 1950
Staff for.....

GOVERNMENT OF BOMBAY.
Rehabilitation Department.
Circular No. EVP 1254-B
Secretariat (Annexe), Fort.
Bombay (1) 19th October 1954

C I R C U L A R.

For the Administration of Evacuee Property, Act, 1950 Government has sanctioned various posts under the Collectors and Deputy Custodians of Evacuee Property. Mostly these posts are on the correstponding Revenue Department (District) scales of pay and are generally held by persons drawn from the regular Revenue cadres. Proposals are now being received from some of the Collectors and Deputy Custodians of Evacuee Property to treat these posts as temporarty additions to the corresponding cadres in the Revenue Department. The main intention of these proposals seems to be to ensure that the staff recruited from the Revenue Department should not be made to suffer on appointment to the evacuee posts carrying identical scales of pay. The proposals in effect, however, go beyond the above objective as under it, it is possible for a junior clerk (Rs.46-130) in the Revenue Department appointed to Aval Karkun's or Head Clerk's post (Rs.100-8-140) or the evacuee wor. to have his service in the latter post counted for increments in the Aval Karkun's or Head Karkun's post in Revenue Department, whil he is appointed to that post in the regular cadre later. Such a benefit of service in purely temporary departments or posts created for a specific purpose cannot obviously be claimed or given. The protection to be granted to the persons from the Revenue Department appointed to temporary posts created for Eva-cuee work can reasonably be to the extent of securing to them the position which they would have occupied in the regular New Cadre, but for their appointment to posts created for evacuee work. Such a protection has already been provided for under Government Circular, Finance Department, No 7573/33, dated the 31st October 1950. The cases of such Revenue Department persons

ppointed to temporary posts created for evacuee work hould, therefore, by regulated under the circular eferred to above.
